

Septic Systems and Our Lakes, Ponds, and Rivers:

What's the Problem?

What Are Some 21st Century Solutions?

Thursday, April 8, 2010

Town of Colchester
Rescue Squad Conference Room
781 Blakely Road
Colchester, Vermont

8:00 am - 4:30 pm

Come learn from University of Rhode Island experts, ask questions of a panel of area regulators, scientists, technology vendors, and water quality professionals, tour real-life installations of new onsite wastewater technology in a lakeshore community, and network with your colleagues at a one-day workshop exploring the link between onsite wastewater treatment systems (also known as "septic systems") and water quality in rivers, ponds, and lakes.

Workshop Schedule (tentative)

7:45-8:00	Registration and coffee
8:00-8:15	Introduction (Mary Clark, Orenco)
8:15-9:45	Overview of Conventional and Advanced Onsite Wastewater Treatment Technologies (George Loomis, URI, New England Onsite Wastewater Training Center (NEOWTC))
9:45-10:00	Coffee break
10:00-11:00	Onsite Treatment Technology, Operation/Maintenance, and Management (David Kalen, URI-NEOWTC)
11:00-11:30	Challenges and Opportunities: Phosphorus Removal at the Site Scale in NY State (Bruce Douglas, Stone Environmental)
11:30-12:45	Lunch/Panel Discussion
12:45-1:00	Bus loads for field tour
1:20-3:40	Tour of advanced onsite systems in Colchester lakeshore neighborhoods (locations TBD)
4:00	Bus returns to parking lot
4:10 - 4:30	Workshop wrap-up

Who Should Attend?

Affiliates and friends of **Lake Association and Watershed Groups** in Vermont and New York, including staff, board members, residents, designers, installers, and regulators.

Panel: Perspectives on Onsite System Upgrades to Protect Water Quality (Final Lineup TBD)

Vermont Department of Environmental Conservation, Water Quality Division (TBD)

Candace Balmer, RCAP Solutions

Bruce Douglas, P.E.
Stone Environmental, Inc.

Victor Giard, VT Designer
VMG Environmental Solutions, LLC and
YOWA Vice-President

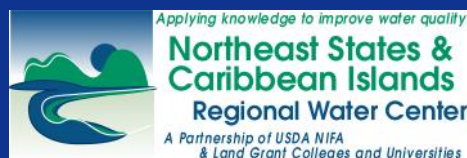

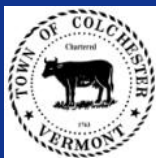

Town of Colchester, representative TBD

Moderator: Todd Menees, P.E., P.H.
Engineering Ventures, Inc.

Cost: \$25.00
